## [Decorating A Log Cabin](#)

This article explains a few things about Home Decorating, and if you're interested, then this is worth reading, because you can never tell what you don't know.

Decorating a log cabin or even a cottage, usually takes in the country theme. Keeping with the various aspects of nature and its simplicity and freshness, a log cabin ought to provide peace and tranquility. Most log cabins are in the forest or country areas. Using a country style would mean bringing the beauty of the outside, inside. Decorating a log cabin or a cottage shouldn't be too difficult using the country theme since the ideas and color schemes sitting right outside the window.

Using nature as an example when decorating a log cabin, using natural wood for flooring and furniture would definitely fit. Birch, pine or cedar would certainly compliment any space especially a log cabin or cottage. To keep the natural look of the wood, you could choose to leave it in its original form or using stain would give the wood a rustic look. Whether you are choosing authenticity or a newer look, wood is surely the best choice when decorating a log cabin.

You may decide to bring old furniture from home to your log cabin or cottage. Using slip covers for the couch or chairs can help make the furniture look new. If decorating a log cabin, you may choose to paint the furniture. This too will give it a fresh new appearance. When choosing colors for slip covers or paint, you might consider warm colors in light to medium shades. Yellows, browns or terracotta add warmth to a space. When you're decorating a log cabin, the emphasis is generally focused on warmth and cosiness. A log cabin doesn't require paint for the walls, however if you're decorating a cottage, you might pick similar colors for your walls.

Truthfully, the only difference between you and Home Decorating experts is time. If you'll invest a little more time in reading, you'll be that much nearer to expert status when it comes to Home Decorating.

Fabrics to use when decorating a log cabin should probably include bold colors and nature themes. Floral patterns are also nice in a cottage or log cabin setting. You could use these fabrics in window coverings, bedspreads or throws and slip covers. To keep with the theme of nature, you could choose accessories taken from the outdoors such as dried flowers or pieces of old wood made into candle holders. People tend to gather things from the outdoors while on a hike or stroll along the river. These items can be used as accessories as well as mementos.

When decorating a log cabin or cottage, one factor which isn't really important is your budget. This type of decorating can incorporate items from home or even those picked up at a flea market or garage sale. Handmade trinkets and decorations are also nice when decorating a log cabin. As long as the accessories help to achieve the overall goal of warmth and an atmosphere that is welcoming, any items chosen are fine. A log cabin or cottage is a place designed for relaxation. When decorating a log cabin or cottage, this should be kept in mind. Whatever makes you happy and helps create a space you enjoy and feel comfortable in, go with it. Just remember to have fun.
